PETITION TO THE COMMISSIONER
UNDER 37 C.F.R. § 1.181

Commissioner for Patents
Washington, D.C. 20231

Sir:

Petitioner requests withdrawal of the Notice of Allowance and Issue Fee Due, due January 29, 2001, for this application so that an interference may be declared.

In this application, claims 63-75 were copied from U.S. patent 5,774,395. Claims 76-80 were copied from U.S. patent 5,828,601. The applicants notified the Patent Office of the copied claims in preliminary amendments dated May 14, 1999 and September 29, 1999. The examiner acknowledged the copied claims in an office action dated July 11, 2000. A copy of page 2 of this office action is attached. However, the examiner did not declare an interference, but has sent a Notice of Allowance and Issue Fee Due.

Since the Patent Office is not supposed to issue two patents with the same claims, the Notice of Allowance and Issue Fee Due should be withdrawn.
